**WHY PAY MORE FOR PRESCRIPTIONS?** The rising cost of healthcare is a major concern. In an effort to lower the cost of prescription drugs for all Kentuckians, a new statewide discount drug card program, called the Kentucky Rx Card, is now available.

THE DRUG CARD IS A FREE PROGRAM to help the uninsured and underinsured save on healthcare related expenses. Anyone in Kentucky, regardless of age or insurance, can use the free Kentucky Rx Card (www.KentuckyRxCard.com) with a valid prescription. There are no eligibility requirements — the only information needed is your first and last name and your phone number with area code. Below you'll find a card that you can fill out and use immediately. Send friends and family to www.KentuckyRxCard.com for additional cards — it's that easy!

**DON'T HAVE INTERNET ACCESS?** Get additional cards like this one at any Neighborhood Place, Park DuValle Community Health Center or Louisville Metro Department of Public Health and Wellness location.

**USE YOUR CARD** by taking it to your pharmacy with your prescription. Once processed, you may receive discounts up to 75% on prescription drugs. Average savings are around 30%.

**PROGRAM HIGHLIGHTS:** The Kentucky Rx Card program has no enrollment form, waiting period, eligibility requirements or annual or lifetime limits. The program is an open formulary so all medications, brand and generic, are eligible for discounts. The program can also be used by people with insurance when the card price is lower than the insurance co-pay. People with Health Savings Accounts (HSAa) and those with Medicare Part D (in the "donut hole") are also eligible for discounts. The Kentucky Rx Card is free and available to all Kentuckians.

**ALMOST ALL MEDICATIONS ARE COVERED** through this program. Additionally, over 860 pharmacies in Kentucky, including most major chains, accept the card.
